Max Starcke Golf Course Officially Re-Opens

The City of Seguin is excited to announce that the Max Starcke Golf Course will re-open to the public beginning Thursday, September 19, 2013.

The Golf Course has been closed for renovations for nearly four months as improvements to the course have been underway. The greens have been re-sodded and new senior tee boxes have been added.

Max Starcke Golf Course is a regulation 18-hole course that includes a pro-shop, driving range, and practice and putting greens. New golf carts are available to rent and concessions are available. If you would like to take advantage of this opportunity to play on the new greens, tee times can be made up to seven days in advance by calling the Golf Pro Shop at 830-401-2490.

We thank you for your patience during the summer months and look forward to your enjoyment of the newly renovated course.

Please call the Pro Shop or visit the City website at www.seguintexas.gov for information on new Player Cards and the new fee schedule which will go into effect October 1, 2013.
